

What Makes Tahitian Noni International The One Good Thing™?

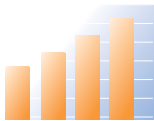

Since Tahitian Noni International introduced noni to the world in 1996, millions of people have discovered health and financial freedom. TNI grew from nothing to one of the fastest growing companies in history. What is driving this incredible success?

CREDIBILITY. The Tahitian Noni® brand is trusted worldwide by people who experience and share the benefits of Tahitian Noni products, including doctors, world-renown athletes, and A-list celebrities.

PRODUCTS. Tahitian Noni® products are one-of-a-kind, proven by science, and protected by patents. Our trademark product, TAHITIAN NONI® Juice, has been shown to increase energy, provide superior antioxidants, and boost the immune system. Tahitian Noni products are the one good thing you can do for yourself, your family, and your future.

POSITIONING. We pioneered the noni industry and are still the market share leaders today. Noni-based products are uniquely positioned to stake a claim in the wellness industry, a soon-to-be trillion dollar market.

GROWTH. Unprecedented sales vaulted TNI to the top of the world's fastest growing companies, and the pace continues today. Annual sales exceed half a billion dollars, with significant increases every month.

ACCESS MARKETING. We believe in personal shopping with profit sharing. TNI pours its resources into creating new opportunities for Independent Product Consultants (IPCs). Customers can shop via phone, web, catalog, or they can visit a Tahitian Noni Cafe™ or Lifestyle Center. Each purchase creates profits for our IPCs.

COMPENSATION. Dynamic compression means one thing—NO BREAKAGE. Over \$1.5 billion has been paid in IPC profits to date.

LEADERSHIP. TNI commands the global noni market.

Significant investments in science, technology, and manufacturing ensure we stay there. We currently have 75 noni-related patents issued or pending.

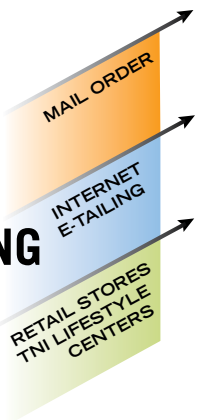

SUPPORT, TRAINING, AND REWARDS. TNI's Success Path™ provides training and rewards for every IPC, from the newest member to the most successful business builder. And the Tahitian Noni lifestyle is filled with exotic travel rewards: Tahiti, Monaco, Hong Kong, Switzerland, Cancun, and more.

To get to the heart of our business, contact an Independent Product Consultant or call 1-888-869-9254. We promise you won't be disappointed.
